State Homes and Jobs Act of 2013

Bill Summary

Enacts the California Homes and Jobs Act of 2013. Imposes a fee to be paid at the time of the recording of every real estate instrument, paper, or notice required or permitted by law to be recorded. Requires that revenues sent quarterly to the Department of Housing and Community Development for deposit in a related fund. Provides that fund moneys expended for supporting affordable housing, administering housing programs and the cost of periodic audits. Requires prevailing wage monitoring and enforcement.

Bill Summary

The Personal Income Tax Law and the Corporation Tax Law allow various credits against the taxes imposed by those laws, including a credit for taxable years beginning on or after January 1, 2009, in the amount of \$3,000 for each qualified full-time employee hired by a qualified employer. Those laws define "qualified employer" as a taxpayer that employed 20 or fewer employees as of the last day of the preceding taxable year. This bill would, under both laws, for taxable years beginning on or after January 1, 2013, expand the definition of "qualified employer" to mean a taxpayer that employed 50 or fewer employees as of the last day of the preceding taxable year.

Transit Projects: Environmental Review Process

Bill Summary

Authorizes the Department of Transportation to assume responsibilities for federal review and clearance under the National Environmental Policy Act for a transit project that is subject to the act. Provides that the state consents to the jurisdiction of the federal courts in that regard, and provides that the department may not assert immunity from suit under the U.S. Constitution with regard to actions brought relative to those responsibilities under federal law.

Public-Private Partnerships

Bill Summary

Amends existing law that authorizes the State Department of Transportation and regional transportation agencies to enter into comprehensive development lease agreements with public and private entities, or consortia of those entities, for certain transportation projects that may charge certain users tolls and user fees and calls those arrangements public-private partnerships. States the intent of the Legislature for a project developed under these provisions to have specified characteristics.

Positions

Bill Summary

This bill would repeal existing law, the Safe, Clean, and Reliable Drinking Water Supply Act of 2012, which if approved by the voters, would authorize the issuance of bonds in the amount of \$11,140,000,000 pursuant to the State General Obligation Bond Law to finance a safe drinking water and water supply reliability program. Existing law provides for the submission of the bond act to the voters at the November 4, 2014, statewide general election. This bill would enact the Clean and Safe Drinking Water Act of 2014, which, if adopted by the voters, would authorize the issuance of bonds in the amount of \$6,500,000,000 pursuant to the State General Obligation Bond Law to finance a clean and safe drinking water program. This bill would provide for the submission of the bond act to the voters at the November 4, 2014, statewide general election.
